Welcome to **Apex**

At Apex, our lively atmosphere and top-notch facilities set the stage for boundless exploration and growth. With modern spaces designed for exploration, students dive into their interests and unleash creativity. Through fun activities and student-led projects, we build leadership skills and inspire fresh ideas.

Interactive Learning Spaces:

“Where Ideas Come to Life”

At Apex, we prioritize innovation and hands-on learning through state-of-the-art facilities that empower students to explore advanced technologies, collaborate on projects, and develop essential skills for successful careers.

Empowering Events, Memorable Moments

Apex is committed to crafting a remarkable student experience that reaches beyond academics. Through exciting events like the Apex Smile Festival, Apex Day, and Apex Freshers, we build a lively and inclusive community. These gatherings offer students the opportunities to showcase their talents, connect with peers, and grow both personally and professionally. These events reflect our commitment to providing a dynamic and inclusive environment.

INTERNATIONAL EXPOSURE

Apex College has proudly connected students to global learning platform with International Exposure Trips such as Thailand Learning Journey and Micup! English Speaking Competition in 2024. These opportunities enabled students to engage in immersive academic and cultural experiences that foster cross-cultural understanding, leadership, and real-world business insight.

From Competing to Completing

We believe that extracurricular activities play a crucial role in students' overall development. Our events like Apex Eco-Sprint, Sports Week, Apex Gamers Connect and Inter College Cricket create a supportive environment where students can explore interests, showcase talents, and build connections. Through these activities, students learn important life skills, gain resilience, and enhance their educational experience, setting them up for success beyond the classroom.

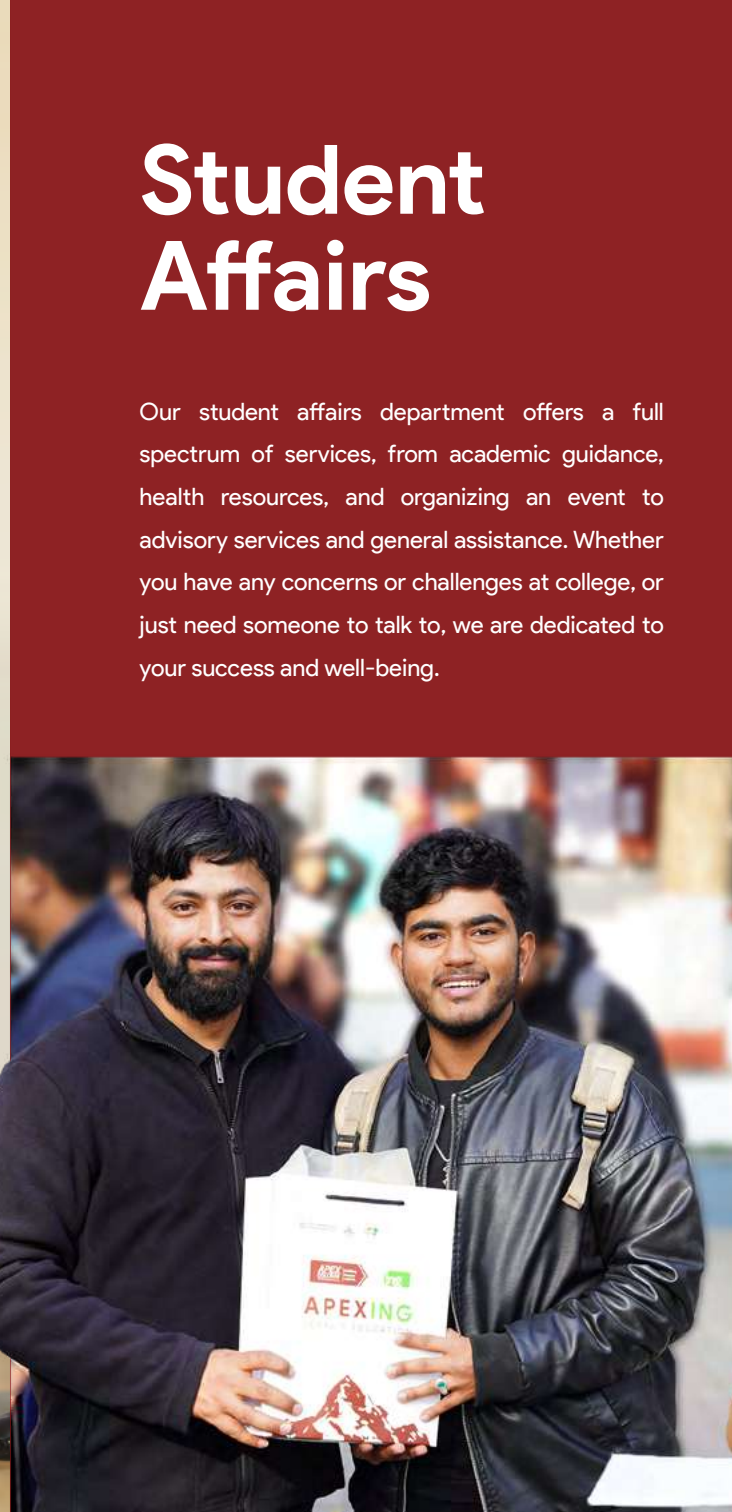

Comprehensive Student Wellness

Apex provides personalized and confidential healthcare to support students' wellness needs. With a team of experienced healthcare professionals, we offer individualized support, health education, and wellness programs designed to promote a healthy and balanced lifestyle. At Apex, your well-being is our priority, and we are dedicated to helping you achieve your best self both academically and personally.

Student Affairs

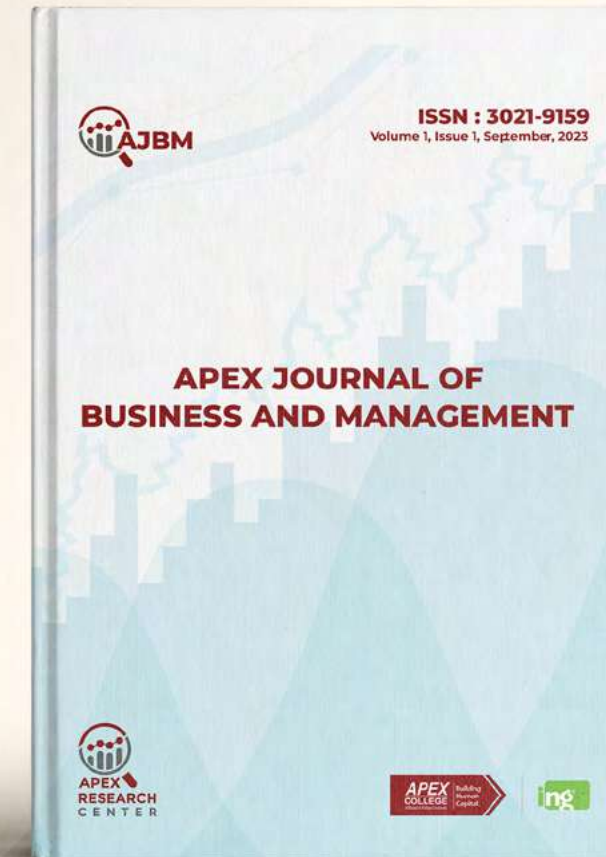

Our student affairs department offers a full spectrum of services, from academic guidance, health resources, and organizing an event to advisory services and general assistance. Whether you have any concerns or challenges at college, or just need someone to talk to, we are dedicated to your success and well-being.

Publishing Progress, Inspiring Growth

The Apex Research Centre is committed to advancing knowledge in business, management, and information technology, fostering the development of Apex's faculty, students and scholars. Apex also publishes prestigious bi-annual journal like AJBM (Apex Journal of Business and Management), engages in research collaborations with industry, research institutions, and universities, and hosts research and policy discourse sessions to enhance the dissemination of valuable research findings.

Meet Our Esteemed Program Leaders

Our exceptional program heads are integral to our success, leading with compassion and dedication. Their expertise and unwavering commitment to excellence ensure that our programs remain at the forefront of academic and professional development.

“

As an educator, I firmly believe that continuous professional development is essential for success in today's dynamic business environment. This is why a well-rounded BBA program is crucial to equip graduates with the ability to think holistically and navigate the complexities of modern organizations.

Dr. Yogendra Adhikari
Program Head (BBA)

“

I'm confident this BBA Finance program offers an unparalleled depth of preparation for careers in this dynamic financial sector. The program goes beyond traditional business degrees. We bridge the gap between industry and academic, providing students with a comprehensive understanding of both realms.

Govinda Khanal
Program Head (BBA Finance)

“

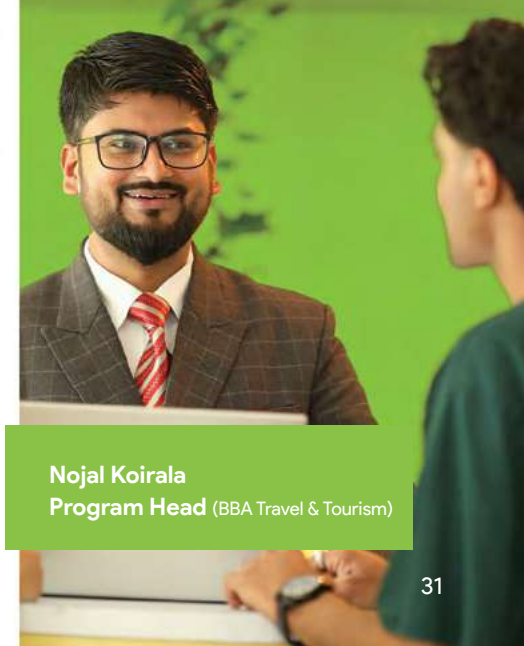

Our BCSIT program is designed to do more than just teach technical abilities. We offer comprehensive studies that provide a strong foundation for core concepts, while also emphasizing practical application through projects in software development and cybersecurity. This approach ensures graduates are well-prepared for the real-world demands of the tech business world.

Bharat Khanal
Program Head (BCSIT)

“

Apex's BBA Travel & Tourism features an innovative 'Y' shaped program merging Business and Tourism Management for global markets. Students gain experiential learning through various exposure trips and activities, complemented by Language and Cultural Labs in Chinese, English, French, and Local Languages to enhance cultural competence.

Cultivating Leadership

Student-led Clubs and Initiatives

At Apex, our undergraduate students take charge in leading student-led clubs, providing them invaluable opportunities to develop their organizational abilities. With 6 dynamic student clubs, they organize their events and activities, gaining hands-on Leadership experience. This active involvement allows them to explore their interest, collaborate with peers, and establish robust networks all while developing essential skills for their future success.

Our Student Clubs

The Apex Travel and Tourism Club is headed by students with a keen interest in exploring and preparing for the travel and tourism sector. The club's central mission is to promote Nepal's tourism, culture, and heritage and to familiarize Apexians with Nepal's unique socio-cultural riches. The club conducts tourism-themed events on campus and also organizes tours for Apexians interested in better understanding Nepal's touristic potential.

Peshal Bhatta
President

The Apex Sports and Leadership Club is dedicated to promoting health, fitness, and sportsmanship within the Apex community. We organize various sports tournaments, to encourage active participation and develop skills such as self-discipline and teamwork. Our annual signature event, Apex Sports Week, brings together the college community for a week of sporting activities. The club also participates in inter-college and inter-university competitions like the PU Cup and Patriots Cup ANFA futsal Tournament, NATHM Cup.

Prabal Samsher Rawal
President

The Apex Information Technology Club is led by a team of students who conduct various events and training programs that help students' proactive role in IT-related activities. A mainstay of Apex College, the Information Technology Club aims to bring out the best of Apexians, not limited to IT students, and is always willing to push the boundaries with an enthusiastic and diligent team.

Pranshu Raj Sharma
President

The APEX Health Education and Awareness Team (HEAT) champions the physical and mental well-being of the Apex community. We raise awareness through educational initiatives, providing resources like first-aid kits, organizing donation programs for various causes & events such as Apex Fit Fest and Fitness Revolution Program, while also addressing social welfare concerns with webinars on topics like LGBTIQ awareness and cyber sexual harassment.

Samit Rajbhandari
President

The Apex Performing Arts Club, enhances college events with creative entertainment. We are known for both collaborating with other clubs and hosting independent events. Since the college's inception, the club has been entrusted with the annual Apex Day celebration. Recently, they have expanded their focus to include post-event charitable initiatives.

Shubham Gautam
President

The Apex Media and Marketing Club, led by undergraduate students, focuses on enhancing skills in branding, marketing, communication, production, and management. The club annually organizes two major events: the Apex Smile Festival and the Apex Short Movie Festival. In addition, the club provides multimedia support to other clubs and promotes the appreciation of arts within the Apex College community.

Eisha Acharya
President

Student Entrepreneurs

At Apex College, students are turning bold ideas into real businesses by blending culture, creativity, and innovation to shape Nepal's entrepreneurial future.

“

Rooted in Apex's Culture, I discovered the courage to turn passion into purpose. With Gemshakti, I've been able to connect people with the spiritual roots of Nepal by ethically sourcing Rudraksha and Shaligrams from local farmers.

Elisha Budhathoki

Founder, GemSakhti

BBA (Bachelor of Business Administration)

“

What began as a simple love for tea turned into a journey of wellness and entrepreneurship. At Apex College, I found the foundation to launch Tattva Tea, now proudly offering 20+ varieties of Nepali-made teas and one of the few brands introducing plant-based collagen powder in Nepal.

Sweta Subedi

Founder, Tattva Tea

BBA-BI (Bachelor of Business Administration- Banking & Insurance)

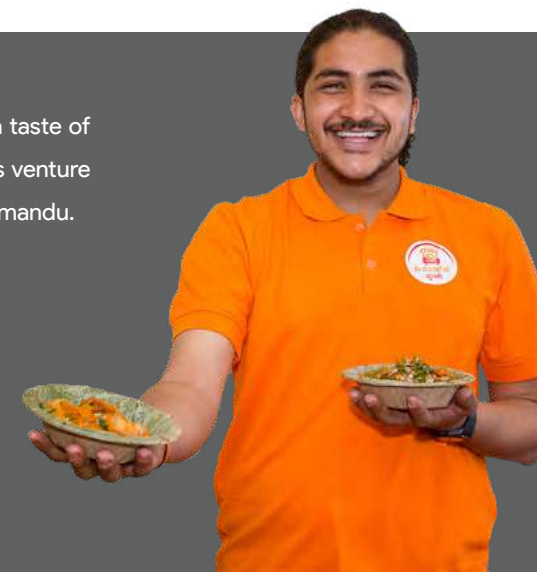

“

Being a student at Apex College gave me the confidence to turn a taste of home into something bigger. Alongside my friends, we started this venture to bring the bold, street-style flavors of Butwal to the heart of Kathmandu.

Ranjit Gyawali

Co-founder, Butwal ko Fulki

BBA-TT (Bachelor of Business Administration in Travel and Tourism)

“

At Apex College, we're encouraged to innovate and that's exactly what led us to start Lishnu Tech. With each project, we're not just building websites or running campaigns; we're helping businesses thrive in the digital age. It's exciting to turn our skills into real impact.

Nishan Timalisina

CEO/Co-founder, Lishnu Tech Pvt. Ltd.

BCIS (Bachelor of Computer Information System)

Co-Working Space for Students/Idea Generation Hub

A dynamic hub designed exclusively for our alumni and senior students to collaborate, innovate, and thrive. Our state-of-the-art facility offers high-speed internet, flexible workstations and comfortable lounge areas, all accessible 24/7. Our Apexians can also attend regular networking events, and benefit from exclusive resources and mentorship programs. Whether you're an entrepreneur, freelancer, or remote worker, our co-working space provides the perfect environment to support your professional growth and connect with current students.

Graduation to Growth

A special occasion is not just for you, but also for your family. It's a moment to recognize their unwavering support, their encouragement, and the important role they played in this milestone.

As a part of the Apex Family, you'll gain access to a network of esteemed company partners. This exclusive network unlocks a world of possibilities, including job placements, internships, and invaluable industry insights. We also offer postgraduate programs for those who want to further specialize and advance their careers.

Spreading The Apex Legacy

“

My time at Apex College, played a significant role in my professional development. Volunteering in college events improved my organizational and leadership skills, preparing me to manage top-tier artists and deliver exceptional events.

Suman Bhattarai

Managing Director, Takshak Entertainment Pvt. Ltd

BCIS (Bachelor of Computer Information System)

“

One of my most memorable moments was winning the title of Mr. APEX 2008. That experience pushed me out of my comfort zone. The day before, I was just another student — the next day, the entire college knew me. It gave me confidence I didn't know I had.

Pranay Shrestha

Unit Head, Channel Sales, Ncell

BBA-BI (Bachelor of Business Administration- Banking & Insurance)

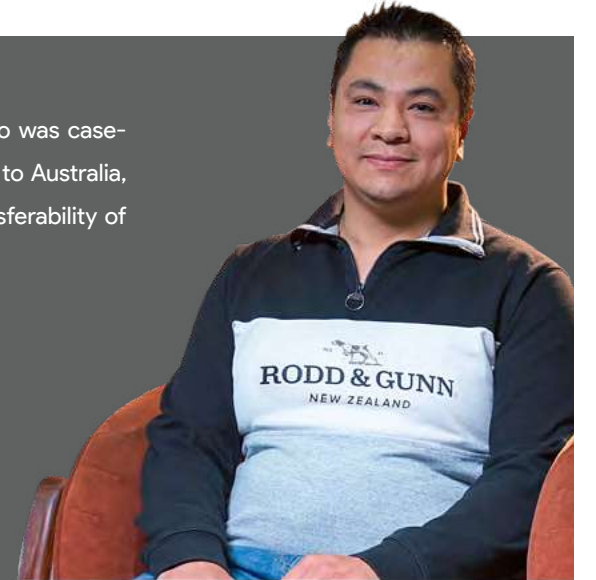

“

One of the most transformative things Apex introduced me to was case-based learning. It gave me an early advantage; when I moved to Australia, I could seamlessly apply what I had learned at Apex. That transferability of knowledge shaped my academic and professional journey.

Anup Shrestha

Senior Lecturer (Information Systems),
University of Southern Queensland

BCIS (Bachelor of Computer Information System)

“

At Apex, there is a vibrant culture that fosters inclusivity. It does not matter which region you come from, if you are here for learning, I think this is the best platform.

Janak Singh

Third Secretary

Ministry of Foreign Affairs, Government of Nepal

BCSIT (Bachelor of Computer System and Information Technology)

“

One of the best parts of Apex College is the student-led clubs. I was a member of Apex Club, and the exposure and experience I gained there were incredible. From internships to managing events, it gave me real-world experience that helped me secure a job even before graduation.

Savona Sapkota

Department Head

Brand and Information, Citizen Life Insurance Company

BBA (Bachelor of Business Administration)

“

Apex significantly aided my family business through comprehensive education in relevant fields, offering practical experiences via internships and projects. The institution and resources, such as research facilities and business incubators, were invaluable.
